VOTING BY MAIL

People can also choose to vote by mail.

To vote, they request a ballot, fill it out, and mail it to a designated polling place before Election Day.

This option is especially helpful for people who cannot go out to vote because they have an injury or illness, are disabled, don't have a car, or work odd hours.

WHAT IS A DIGITAL BULLETIN BOARD?

WHAT DO YOU THINK?

You are an American citizen who lives in another country outside the US. You are 18 years old and registered to vote in US elections.

HOMELESSNESS

US citizens who are homeless are allowed to vote in all 50 states.

As always, different states have different rules and procedures.

Though homeless people can vote in any state, it is more difficult in some states than others.

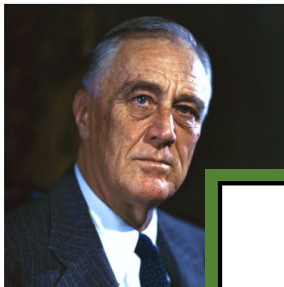

Digital Bulletin Boards are scrolling slides. Set them on a timer to play in the school hallway or in the library during checkout. Feel free to add your own library or school announcements!

THE 19TH AMENDMENT

Passage of the 19th Amendment did not come easily.

For decades, supporters wrote, marched, protested, and even went to jail to get this right.

Supporters were heckled, spit on, shouted at, arrested, and physically abused at protests.
