- My Teacher Is a Monster (No, I am Not)

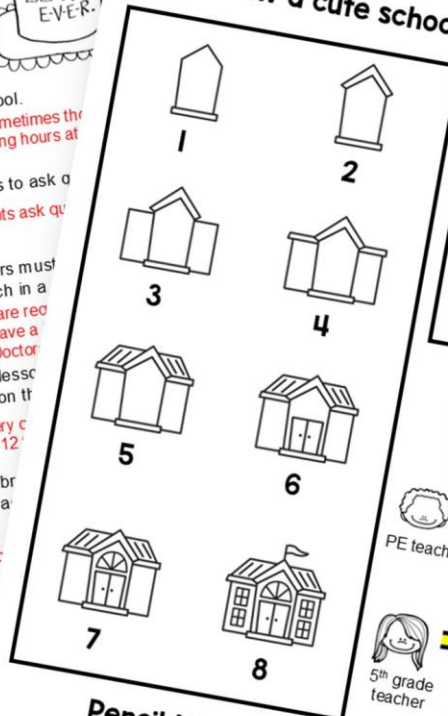

True or False?

1. Teachers live at the school.
False! It does feel like it sometimes but teachers frequently work long hours at school.
2. Teachers want students to ask questions.
True! We love when students ask questions.
3. In most cases, teachers must have a college degree to teach in a classroom.
True! Generally, teachers are required to have a 4-year degree. Many also have a Master's degree. And some have a Doctorate.
4. Many teachers plan lessons and grade papers at night and on the weekends.
True! This is very common for PreK-Grade 12 teachers.
5. Principals, school librarians, counselors, and coaches are certified teachers.
False! These roles require teaching certification.
